

USATF Learn by Doing Clinic is Coming to IMG Academy, Register Now!

What: Gain hands-on instruction from USATF Master Coaches at our Learn By Doing Clinic, a day of practicum on the field with teaching and demonstrations. Participants will learn how to coach specific techniques, drill progressions and coaching cues with error correction and video analysis.

When: Saturday, March 11, 2017, 8:30 a.m.- 6:00 p.m.

Where: IMG Academy, Bradenton, Florida

Who: The clinic is open to all coaches, athletes, parents and trainers, serving as an extension of USATF's coach certification courses. All athletes must be accompanied by a coach.

Master Clinicians:

- **Loren Seagrave**, Director of Track and Field at IMG Academy and world-renowned sprint/hurdle coach. With over 30 years of global coaching and IAAF coach education, Seagrave has produced numerous Olympians and international competition medalists. A Master Coach in the sprints, hurdles, and horizontal jumps, he has mentored Dwight Phillips and Tianna Bartoletta, two of many Olympic medalists.
- **Dwight Phillips**, Former elite athlete in the long jump, Dwight is acclaimed as one of the most successful international long jumpers of all time. He has numerous medals from both Olympic and World Championship Competition and he is now coaching at IMG Academy. Dwight provides an elite athlete experience to the teaching and demonstrating of the basic skills in horizontal jumping.
- **Dr. Larry Judge**, Lead Throws Instructor, Larry is a Master Coach and current chair of the USATF Coaching Education Committee. As a long-time college coach and current professor at Ball State University, Larry has produced numerous NCAA All-Americans, USATF national elite athletes, and USA Paralympic Medalist in the discus. At the 2016 Rio Olympics, he mentored Team USA's Felisha Johnson in the hammer.
- **Kibwe Johnson**, Current IMG Academy throws Coach, Kibwe is transitioning from over a 10-year career as an elite athlete. He is one of USATF's top-ranked hammer throwers for the past two Olympics. He currently is coaching several elite Team USA hammer throwers, including a Rio Olympian. Kibwe will be assisting Dr. Larry Judge instructing the throws.
- **Terry Crawford**, Director of Coaching. After a 35-year college coaching career in which she was named National Coach of the Year six times, Terry leads all the coaching programs at USATF. She is a master coach in middle/long distance and a skilled technician in the biomechanics of running. Crawford served as the 1988 Head Women's Olympic Coach.
- **Dr. Anne Shadle**, Nationally ranked endurance runner at the University of Nebraska. Anne holds a PhD in sports psychology; her works includes mentoring elite athletes and promoting positive coaching behavior models to enhance the athletic experience for athletes. In addition to presenting on the Positive Coaching Behavior Model, she will assist in the instruction of skills and drills for efficient running mechanics.
- **Mark Napier**, a pole vault specialist, Mark will offer his vast experience as a former NCAA track and field coach to pole vault coaches. Mark currently coaches at one of the most decorated interscholastic programs in Florida, and has produced state champions, NCAA All-Americans in over a 20-year coaching career.
